### The Snetterton Motor Racing Club

#### LADIES AND GENTLEMEN,

The "Three Hours" has developed over the last five years into one of the most popular events in the British Isles, in fact, to quote Ken Mackenzie, who is unfortunately not in the race this year as he has been called to the U.S.A.-"the best U.K. event of the Calendar!" We are most grateful to Autosport for the enthusiastic way in which they assist in the organisation and promotion of this event. Long may the "Three Hours" flourish; it is the only event in the British Calendar that tries to capture a little of the magic of the 24 hour French classic—only a sixth of the distance I know-but a lot of the atmosphere!

"Molyslip" to the motorist has in a comparatively short space of time become a household word, and the Club was delighted when we were approached and asked to run The Molyslip Trophy Race. This event for Grand Touring Cars has attracted a selection of the world's fastest G.T. cars, and drivers. Can the "E" Type beat the incredibly successful Berlinetta Ferrari? Will the Zagato DB4. G.T. Aston, which has carried the British Flag to the Continent this year, beat its two most powerful rivals? We will all know the answer to these questions at about 4 o'clock-whatever the outcome is-one thing is certain, it will be a darn fine race, and could well produce a 100 m.p.h. lap!

The S.M.R.C. would like to take this opportunity of extending to the Slip Group of Companies, and to Baron Rolph Beck, and Nigel Seeley in particular, a warm welcome on their first visit to the Circuit. May the Molyslip Trophy become part of the Snetterton annual programme and grow from strength to strength.

Mike McKee will have to work hard to retain the Vanwall Trophy, which is being competed for to-day by all the leading exponents in Formula Junior racing, but as a Team Lotus driver and with his knowledge of Snetterton, he could well take this coveted trophy home with him for the second year running. Best of luck Mike!

The Saloon Car Race should be splendid; with so many of the best touring car drivers in such evenly matched cars a thrilling struggle must be the outcome-a fitting climax to the Championship which has been contested up and down the country over the summer months.

So much for to-day's racing, we do hope you enjoy it, a safe journey home, and best wishes for the future when we hope to see you at Snetterton once again.

Yours sincerely,

# **CHAMPION'S** VIEW BRAKING

A familiar sight on the Grand Prix circuit -the World Champion and his Girling-equipped Cooper.

"Every corner you're relying implicitly on your brakes", says JACK BRABHAM. "Not only that:

pedal and the all-important split-second is saved. I've nothing but praise for Girling Disc Brakes -- again helping to bring us Championship honours in 1960 — also giving a higher standard of braking efficiency to the increasing the better the brakes, the later your foot's on the range of family cars that are fitted with them."

### THE SNETTERTON MOTOR RACING CLUB

#### LADIES AND GENTLEMEN,

The first rule of the club, does I think, say, just what we are here for, i.e.: "(a) To encourage social intercourse between members of the club and to provide facilities for the meeting of one another to discuss, promote and generally take part in the sport of Motor Racing, Touring, and in fact any form of competition connected with motoring"; and "(b) To run a Social Club for the benefit of all persons interested in the Snetterton Motor Racing Circuit." Now that is a pretty tall order, so let me be more explicit.

Obviously the main interest of our members is the running of motor race meetings at Snetterton, whether on a National scale-or a Club "dice" for the fun of the novice; in this respect we run five major race meetings a year, and a Club Sprint. We are also invited to most club meetings run by other clubs at Snetterton, so if in fact we are not the organisers, there is ample opportunity for the beginner to get experience. There is, I suppose, something of interest going on at Snetterton almost every week-end of the year in which members very often take a prominent part. Now, in addition to our many sporting activities, the club social life is well worth your consideration. We have our own Registered Club House in the Paddock Area of the Circuit, a wide variety of beers, wines and spirits are always available at reasonable prices; access to this Club House (and the Paddock Area) is permitted to members, their wives and families, on race days and, in fact, at all times (families must come on a "Family Membership").

Guest tickets to the Club House are also available at 5s. each, for each race meeting. Club members may also buy the "Pit Roof Passes" which are strictly limited. There is a hard roof on the Club House giving a fine view of the racing. During the winter months film shows, club nights, talks, etc. are also held in the Club House at the Circuit.

In addition to the above items, a monthly news letter is sent out to all members giving details of our activities, and items of news, posters, carstickers, etc., are also sent to all members.

This is a live, active club, and does, we feel, offer the Snetterton race-goer excellent value for his  $f_1$  or 30s., whichever the case may be; our steadily increasing membership does, I think, verify this.

We would welcome YOU as a member.

Yours faithfully,

OLIVER SEAR, Hon. Secretary.
